

Honorable Members of the
Bedford County School Board
Bedford, Virginia

We have audited the combined statement of cash receipts and disbursements of the Bedford County Public Schools School Activity Funds (the “Activity Funds”) for the year ended June 30, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 5, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Activity Funds are described in Note 1 to the financial statement. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Activity Funds during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statement in the proper period.

The financial statement disclosure is neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We detected no misstatements as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statement or the auditor’s report. We are pleased to report that no such disagreements arose during the course of our audit.

Your Success is Our Focus

Significant Audit Matters (Continued)

Management Representations

We have requested certain representations from management that are included in the management representation letters dated July 17, 2023 to July 27, 2023, depending on the field work date of the particular school activity fund audit. An example of such a representation letter is attached.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Activity Funds’ financial statement or a determination of the type of auditor’s opinion that may be expressed on the statement, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Activity Funds’ auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We were engaged to report on the individual school statements of cash receipts and disbursements, which accompany the combined financial statement but are not required supplementary information. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the cash basis of accounting, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the combined financial statement. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the combined financial statement or to the combined financial statement itself.

Restriction on Use

This information is intended solely for the use of Members of the Bedford County School Board and management of the Bedford County Public Schools School Activity Funds and is not intended to be, and should not be, used by anyone other than these specified parties.
