

Virginia Board of Education

Continuous Improvement Award

Presented in 2020 to

Thomas Jefferson Elementary School Bedford County Public Schools

WHEREAS, the Board of Education's Exemplar School Recognition Program recognizes and rewards schools that exceed minimum requirements or show continuous improvement on academic and school quality indicators; and

WHEREAS, the Exemplar School Recognition measures the performance of students from competence toward excellence in reading, mathematics, and science, and on other indicators of school quality consistent with the Standards of Accreditation, and recognizes schools, school divisions, and school boards for successful implementation of innovative practices; and

WHEREAS, to qualify for Continuous Improvement recognition under this program, a school must invest in student engagement as evidenced by meaningfully increasing the attendance of students for the past three years;

NOW, THEREFORE, BE IT RESOLVED that the Board of Education recognizes this accomplishment by awarding this 2020 Board of Education Continuous Improvement Award.
